## **Scott A. Henderson, AIA LEED AP**

### *Selected Projects*

#### **Clark & Green Architects**

##### **Williams College – Multiple Projects** (Williamstown, MA) *Ongoing*

As primary point of contact for all Williams projects, I have completed a wide range of commercial work including interior fit-outs, façade & roof repair and food service/café studies. Work to date at Williams has exceeded \$2million.

##### **Greylock Market (Heritage Park Rehabilitation)** (North Adams, MA) *Ongoing*

Conversion of 6 buildings within a historic freight yard to mixed use programming. Historic Tax Credits are being sought. Estimated cost of \$6 million.

##### **Monument Mills Revitalization Project** (Housatonic, MA) *Ongoing*

Conversion of existing mill complex to residential and commercial space with successful Historic Tax Credit program utilization. Estimated cost of \$30 million.

#### **Pamela Sandler AIA, Architect**

##### **Private Residence** (Lenox, MA) *Completed 2010*

14,000 SF new construction residence utilizing geo-thermal heating system. Project costs of \$4 million (excluding Landscaping).

#### **Andrea Ponsi Architetto**

##### **Private Residence** (Tiburon, CA) *Completed 2008*

10,000 SF new construction residence utilizing natural ventilation in lieu of AC, a PV system supplying all electrical needs, passive solar design and low impact landscaping methods. Project costs of \$6 million.

#### **Bechtel Frank Ericson Architect**

##### **Living Waters Mayyim Hayyim Mikveh** (Newton, MA) *Completed 2004*

An addition to an existing Historic structure that houses 2 mikva'ot (baths) and changing rooms, along with receiving space and living rooms, the Mikveh has become the center of the local Jewish community. Project cost of \$800,000 (\$160/SF)

#### **Bergmeyer Associates, Inc.**

##### **Corporate Headquarters for East Boston Savings Bank** (Peabody, MA) *Completed 2002*

New construction of office and retail component of EBSB reaching out to new market. Utilization of cutting edge terracotta rain screen and curtain wall systems. Project cost of \$4 million.

##### **Center for the Study of World Religions, Harvard Divinity School** (Cambridge, MA) *Completed 2001*

Renovations to Josep Sert building (1960) to improve living and work areas, provide universal access and modernize existing MEP systems.

#### **Andrew Bartle Architects, P.C.**

##### **The Gateway School of New York** (New York, NY) *Completed 2000*

Conversion of East Village brownstone to private school with rooftop courtyard/playground. A system of floor/ceiling openings to visually connect floors while maintain fire separation allowed for creative detailing of shaft ways.
