About the BSA

The Boston Society for Architecture is a community committed to improving the quality of life for everyone through architecture and design.

We are a chapter of the American Institute of Architects (AIA) and a community nonprofit.

Architecture is for everyone.

Webinar Guidelines and Etiquette

SOUND
• Because of the large number of participants, everyone is on mute mode.

Q+A
• Q&A: Thank you for all your questions during registration! However, due to the overwhelming response and questions, we have selected a few key questions to address at this time. We will use your questions for more BSA programs coming up.

• Feel free to use the Chat option on the lower middle right side of your screen to interact with other participants, as well as the Q&A option to ask a question directly to the presenter, if time permits.

RECORDING
BSA will be recording this webinar for on-demand, and will share this with the community in the next day or two.
