# PLAN YOUR DAY

SCHOOLS TO VISIT. QUESTIONS TO ASK, AND NOTES TO KEEP

## QUESTIONS

Think about what you'd like to know from a school and how it would work for you. Look at the examples below and then write some of your own.

- What do I need to include in my portfolio?
- What are the differences between the degree programs? Think about what would be best for your interest and needs.
- What is architecture school like? What is studio culture like at the school?
- What opportunities, such as internships and study abroad, are available for students?

## SCHOOL INFORMATION

Browse the school links (page 2) and find what interests you. Plan out which schools you'd like to talk with and note which floor they are on.
