

FIRM VALUES STATEMENT

We value creating successful places for people through a combination of business insight and creative problem-solving.

OUR PEOPLE

- Include a diversity of people and approaches to encourage different perspectives
- Embody the PCA team spirit — be a place for friendship, learning, and growth
- Support causes that matter to our staff by encouraging employee driven initiatives

OUR PARTNERS

- Build lasting business partnerships by continuing to create success for our clients
- Foster an inclusive process by listening to and engaging our clients, consultants, and partners
- Commit to our promises — uphold our reputation of integrity and honesty

OUR COMMUNITY

- Create remarkable places that strengthen and enrich the public domain
- Honor the value of everyday spaces because every place is worthy of our affection
- Integrate social and environmental responsibility into each step of the design process

OUR CREATIVITY

- Seek out opportunities to unlock potential with customized, inventive solutions
- Craft thoughtful design that delights — both poetic and practical
- Draw upon our wide range of experience to create unique, timeless places
