

SUPPLY CHAIN

PCA does not have a supply chain; however, we agree and support social accountability in workplaces using the SA8000:2014 standard. The SA8000:2014 standard measures social performance in eight key areas important to social accountability in workplaces, anchored by a management system element that drives continuous improvement in all areas of the standard. These areas include:

- Child Labor
- Forced or Compulsory Labor
- Health and Safety
- Discrimination
- Disciplinary Practices
- Working Hours
- Remuneration
